Application Form for Admission

Thank you for your interest in the MIPLC LL.M. program "Intellectual Property and Competition Law."

Sending a complete and well-prepared application is essential for your admission to the program. Given the large number of applications we are receiving, **we can only process applications that are both complete and whose documents are properly labelled. Incomplete applications will be disregarded without notification.**

For information how to prepare a complete application, please refer to the [Application Instructions](#).

If you are not able to submit a certain document before the deadline, please add a sheet that explains what is missing, why it is missing and when it will (in your best estimation) be available.

When entering any text into the form, please commence words with upper-case letters, where appropriate, and continue with lower-case letters, as you would when typing a typical text. Please do not use capital letters or lower-case letters exclusively. They make your information very difficult to read and process.
